

Math Workshop

For Parents, Community Volunteers and
Student Tutors

K – 6th Grades and 7th - 8th Grades

Learn Skills To Help Students Understand Math

Pacifica School Volunteers in conjunction with the Pacifica School District will be conducting free math workshops for parents, community volunteers and student tutors to learn new ways to help students master vital math skills. **For high school students who wish to volunteer in Pacifica's elementary schools homework centers, we invite you to attend this workshop.**

Workshop will offer the following to all attendees:

-Valuable resources to help you and students understand math vocabulary and concepts

* **FREE MATH MATERIALS WILL BE GIVEN TO ALL ATTENDEES***

-Models for helping students' problem solve

-Websites to help with homework

-\$20.00 stipend for your attendance at this workshop

(high school students only) – only one workshop needs to be attended

**Pacifica School Volunteers Math Workshop K-6th and 7th - 8th Grades
will be held at Ingrid B. Lacy in the Library**

• **Tuesday, October 13th, 7 p.m. to 9 p.m. K-6th Grades**

• **Thursday, October 15th, 7 p.m. to 9 p.m. 7th & 8th Grades**

***Space is limited at the workshop. To register, call Pacifica School
Volunteers at 650-355-9432.***

This Pacifica School Volunteers workshop is made possible in part by the Cisco Systems Foundation, Target Stores, Wells Fargo Foundation, Woodlawn Foundation and donations from members of the Pacifica Community.
