Preparing Students for an Evolving World

Monica Lobao, Principal

2019-20 School Year: Fingerprinting for Field Trips

All Pacifica School District schools require field trip drivers to be fingerprinted. This fingerprinting requirement is also true for overnight field trips where parents attend. The purpose of this policy is to provide the safest environment for our students who leave campus in personal vehicles for field trips. All volunteer drivers will cover their own fingerprinting costs and the completed form will stay on file for the duration of your child's time in the Pacifica School District.

Live Scan Fingerprinting Locations, Information, and Fees:

1. Bring the district **Live Scan form** to the location of your choice.
2. You will need to complete the **DOJ level of fingerprinting**.
3. Fees are between **\$60-70 total** for the DOJ level.
